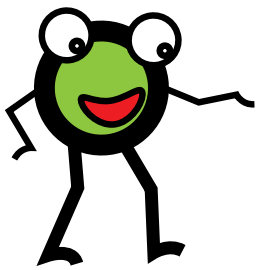
12 DOCTRINAL THEMES



Kids4Truth Clubs focuses on 12 important doctrinal themes to help children understand the truths of the Bible. Each of the 12 doctrinal themes has 10 key truths for the children to memorize for a total of 120 key truths. Kids will review the 120 truths four times as they move through the four levels. The key truths become more in-depth with each level, so the children know what they believe and why they believe it. **That's systematic theology and apologetics together!**

LAYS A FOUNDATION FOR LEARNING AND LIVING GOD'S WORD

What truths do kids need to know from God's Word? How can they apply those truths to their lives? Kids4Truth Clubs takes kids beyond salvation by discipling them and developing them in their Christian walk.

Kids4Truth Clubs does have an emphasis on the gospel, but I think it goes beyond just an introduction to the gospel (like many children's programs will target) and try to develop their understanding and foundation of the Word of God more as a whole: What does it mean to follow Jesus Christ? What does it mean to understand the truths of the Word of God? More than just asking Jesus into your heart or initiating them into Christianity, it seeks to begin the process of discipleship and development.
Pastor Greg Linscott, Calvary Baptist Church, Rochester, Minnesota

TIES EVERYTHING TOGETHER

Kids4Truth Clubs provides lessons for the teacher to present and TruthBooks for the students to work through. Lessons in the Teacher's Guides and all four levels of the TruthBooks are tied together with other facets of the program to foster learning that lasts a lifetime.

What I love best about the program is that it ties everything together. You have the lesson time that teaches the specific doctrine, but then you go to your class time and you're following through on the same doctrine. The songs can tie in with the same doctrine. It reiterates and refocuses. They get it more than just one time. You can ask questions regarding the lesson time at your class time and it ties it all together.
Sharon Hulsizer, First Baptist Church of Marshall, Minnesota

KEEPS ALL THE KIDS ON THE SAME PAGE

Each week, all four levels of the TruthBooks cover the same section of the same doctrinal theme so all the kids are learning the same truth. Yet each level of the TruthBooks is age appropriate, so all the kids learn on their own level. The matching Teacher's Guide is user friendly, interactive, and effective in reinforcing the doctrinal themes.

What I like about the program is that it's got a lot of flexibility that lets us do things that we feel our kids need. The program keeps all the kids on the same page so they're all studying the same doctrine—the same lesson. Each one is at their grade level, but they're all on the same doctrine—which helps us to work with the kids.
Mike Hulsizer, First Baptist Church of Marshall, Minnesota

A TYPICAL NIGHT AT KIDS4TRUTH CLUBS

7:00–7:10	**Welcome, Prayer, and Songs**
7:10–7:30	**Large Group Lesson** Leader teaches a lesson on the current doctrinal theme from the Teacher's Guide.
7:30–8:00	**Small Group Time** Kids work through their TruthBooks and recite what they have learned.
8:00–8:25	**Activity Time** Choose activities that meet the needs of your ministry: • Review games • Crafts • Group game time • Music
8:25–8:30	**Awards and Dismissal**

One of the features of Kids4Truth Clubs is its flexibility, so you can adjust the times to fit your schedule.

4 PARALLEL LEVELS OF LEARNING

Kids4Truth Clubs uses levels instead of grades so churches can decide what works best for their kids. Kids study the same doctrinal theme on each level, and they progress in their understanding of those themes as they move through the levels.

As kids progress in their understanding of Bible truths, they build on what they have already learned, thus reinforcing and expanding those truths in their thinking. They do not learn and forget but, rather, reinforce and repeat. Notice how this progression works in the answer and verse for the questions on the sample pages to the right.

It is intense truth for young minds. My kids are learning the foundational doctrines straight from the Bible in a fun and engaging way. They should be great apologists for the faith after their years in Kids4Truth Clubs!
Jill Wragg, Saving Grace Bible Church of Englewood, Florida

One of the primary reasons we made the switch to Kids4Truth Clubs is we felt that we needed to do a better job of helping our kids have that truth instilled in their lives and walking out of our children's ministries knowing more about the Word of God. One of the great things that I've enjoyed as a pastor is hearing our leaders and our teachers say things like, "I know that the kids walked out knowing this truth!"
Pastor David Burman Jr., First Baptist Church of Elyria, Ohio

The Kids4Truth Clubs program allows you to keep all of your kids, from age 3 all the way up to sixth grade, on the same doctrine learning the same verses on the same week.
Jennifer Linscott, Calvary Baptist Church, Rochester, Minnesota
